The Ness Bursary **for a student graduating from the Universal Program**

Information

In 2011, the CVR Educational Foundation established the Ness Bursary with a generous endowment from Owen Ness.

This Bursary has been set up specifically for students who have successfully followed all the criteria in the Universal Program throughout their five years at CVR.

Mr. Ness was born in Howick and grew up on Terrace Bank Farm. He attended Howick High School and continued his education at Macdonald College, where he earned his B.Sc. in 1952. After further post-graduate studies, he started his lengthy career with Alcan in 1954 until his retirement in 1993.

In Owen Ness' words:

I have heard young people say that they dropped their studies because it was not challenging or it was boring. This program fills that shortfall. The world is much more challenging than it was when I was leaving school and I believe that this program will prepare students for a tough competitive future.

It is my pleasure to offer these bursaries. It is a modest gesture to recognize the community which gave me a great preparation for my career.

Every year, three bursaries of \$1,000 each will be awarded to students in the graduating class who have successfully met the standards of the Universal Program and who are pursuing post-secondary education. Students apply for the bursary following the criteria and guidelines set out by the CVR Educational Foundation. Applications are subjected to a blind review.

The Bursary is awarded at the graduation ceremonies at the end of the school year.

Recipients receive 2 equal installments (September and January) when they provide proof of full-time attendance in a post-secondary institution.
