The Donald Winter Memorial Scholarship

The Donald Winter Memorial Scholarship was established in 2021 by his three children to commemorate his life and the challenges he faced. His children have persevered, and excelled, despite the challenges brought on in their early lives by his farming accident in 1996. This scholarship was created with the intent of helping a local student overcome difficult circumstances and the associated challenges while still striving to achieve academic excellence.

One scholarship of \$500 is awarded to a graduating student who is pursuing post-secondary education. The student has kept an overall average of 80% and over in grade 10 and 11 and has submitted a letter of intent with the specified criteria and guidelines set out by the CVR Educational Foundation. Applications are subjected to a blind review by a jury of 3 evaluators.

The \$500 scholarship is presented at the end of the school year. The CVR Educational Foundation disburses 2 equal installments (September and January) to the recipient, provided he/she confirms full-time attendance in a post-secondary institution.
