Dr. Kevin P. Brissette Memorial Bursary **for a student entering a health related program**

Information

In 2010, the CVR Educational Foundation established the Dr. Kevin P. Brissette Memorial Bursary with a generous donation from Mrs. Jocelyne Brissette.

Dr. Brissette was one of our well-loved physicians in the Chateauguy Valley at the Barrie Memorial Hospital. He and his wife raised a family and spent many years on their beloved Ormstown farm.

Each year, one bursary of \$1,000 will be awarded to a student in the graduating class who is pursuing his/her post-secondary studies in a two-year pre-university science programme with the aim of entering medicine or any other health science at the university level as well as those students entering a Registered Nursing program or a 3 year health related CEGEP career program. Students apply for the bursary following the criteria and guidelines set out by the CVR Educational Foundation. Applications are subjected to a blind review. Consult cvredfoundation.com to find out submission dates and deadline for this bursary.

The Bursary is awarded at the graduation ceremonies at the end of the school year. The recipient receives 2 equal installments (September and January) provided she/he confirms full-time attendance at a post-secondary institution.
