The Lara Drummond Bursaries

The Lara Drummond Bursaries were established in 2023. The Lara Drummond Foundation also funds the scholarships for students aiming at a teaching career and the family has also decided to establish the Drummond Bursaries who are available to all graduating students. These bursaries are named in honour of the late Lara Drummond, who, at the time of her passing in 1979, was a student in grade 6+ at Ormstown Elementary School. She lived with her parents, Mary & Kevin Drummond and her 2 brothers, Liam & Terence on their farm in Havelock, Qc. It is the Drummond family's affection for their community and respect for the local schools that inspired them to support Chateauguay Valley Regional High School students in the pursuit of their post-secondary education.

Each year, six (6) bursaries of \$500 each are awarded to 6 graduating students. Students apply for the bursary following the criteria and guidelines set out by the CVR Educational Foundation. Applications are subjected to a 3 jury blind review. Students need to be pursuing post-secondary education, have exceptional attitude to achieve and financial need. Students may not necessarily have the highest marks. The 6 bursaries are awarded at the graduation ceremonies at the graduation ceremony.

Recipients receive 2 equal installments in September and in January, provided they confirm full-time attendance in a post-secondary institution.
