The Osman Family Memorial Bursary **for trades**

These bursaries were established in 2022 by Mona Osman and April Wells to honor the memory of Mona's parents, Mohamed (Sam) Osman, PhD Mech Eng & Silvia Osman to support Chateaugay Valley Regional High School students in diverse fields of study. Sam and Silvia met in Zurich, Switzerland after Sam was awarded a full scholarship from Cairo University to pursue his doctorate degree in Mechanical Engineering, at the Swiss Federal Institute of Technology. They immigrated to Canada in 1966 where they married and eventually settled in Hemmingford, Qc where they happily raised their family. With Silvia's support and strength, Sam developed a renowned career at Concordia University through teaching and research, while Silvia engaged in many community events, gatherings, and classes.

One bursary of \$625 is awarded to a graduating student pursuing his/her studies in any TRADES PROGRAM (other than health related). Students apply for these bursaries following the criteria and guidelines set out by the CVR Educational Foundation and completing the SUPPLEMENT H. Applications are subjected to a blind review by a jury of 3 evaluators. See www.cvredfoundation.com/apply/ for details of this bursary.

The bursary is awarded at the graduation ceremony at the end of the school year. The CVR Educational Foundation will disburse one installment (September) to the recipient, provided he/she confirms full-time attendance in a post-secondary institution in the program specified for the bursary they have received.
